TO BE PAID THE DAY OF THE EVENT.

ABOUT THE DAY

All portraits (the “organized” photos before the ceremony) will be done in natural lighting. Unless Photographer deems that there is adequate natural lighting, no portraits will be done inside the church or other ceremony venue. If there is inclement weather, Photographer will find a suitable outdoor option that allows for both natural lighting and protection from the weather as much as possible. This above does not apply to candid photos done during the ceremony and reception.

Unless there are special circumstances that have been discussed with Photographer, all portraits of the bride and groom, family and wedding party will be done before the ceremony. It is advised that the photographer come 3 hours before the ceremony to capture the “getting ready” shots and then proceed first with the bride and groom session, followed by family and wedding party.

The client will fill out a wedding picture request list for Photographer before the wedding day. The list should make note of any special family situations of which Photographer should be aware. Please make family members aware that only the shots that are on the list will be taken. While theSNAPsisters Photography will make every reasonable effort to take specifically requested photos, the Client understands that a wedding is an uncontrolled event and that due to the varieties of the weather, available light, and willingness or availability of subjects, theSNAPsisters photography cannot guarantee that any particular requested photo will be taken. Photographer(s) will take a short break during the mealtime for weddings 5 hours or longer. If necessary, please notify caterers that an extra meal(s) will be needed.

Due to lighting conditions and time constraints, those involved in portrait sessions are required to be at set location 5 minutes before the assigned time. Due to autumn and winter lighting conditions, the portrait sessions of weddings in November–March will begin no later than 2:30 p.m. Priority will always be given to the bride and groom portrait session.
